

Name: _____ Date: _____ Class: _____

Engineering Design Drawing Rubric

	Excellent = 3	Satisfactory = 2	Needs Improvement = 1	Unacceptable = 0
Design focuses on problem	Design focuses on the problem	Design focuses on most of the problem	Design sort of focuses on the problem	Design does not relate to the problem
Materials labeling	All materials labeled	Most materials are labeled	Some materials are labeled	No materials labeled
Materials Joining	It is explained how all materials are joined together	It is mostly explained how materials are joined together	It is sort of explained how materials are joined together	No explanation for how materials are joined together
Dimensions & correct units	Dimensions are included with correct units	Most dimensions are included with correct units	Some dimensions are included or not all units are correct	No dimensions or units are included
Purpose	Explains the purpose for each part of the design	Most parts are labeled with a purpose	Some parts are labeled with a purpose	No purpose for the parts included
