

## **Lesson 5: 3RC (Reduce, Reuse, Recycle and Compost) – “Recycle Now” Song**

Sing the following verses to the tune of “*Three Blind Mice*.”

### **Verse One:**

Recycle Now, Recycle Now,  
For Earth’s own sake, For Earth’s own sake,  
We cannot bury our trash today,  
Our landfill can’t handle it anyway,  
To recycle is smart for everyone,  
So we’ll save our Earth.

### **Verse Two:**

Recycle Now, Recycle Now,  
For Earth’s own sake, For Earth’s own sake,  
We know how to save a tree every day,  
To keep our papers in every way,  
I’ll tell my parents to save them too,  
So we’ll save our Earth.

### **Verse Three:**

Recycle Now, Recycle Now,  
For Earth’s own sake, For Earth’s own sake,  
We know that aluminum and glass are good,  
To throw away plastic – we never should,  
I’ll tell my parents to save them too,  
So we’ll save our Earth.
